DIGNITY OF THE PRESS. The editor of the Richmond South in response to the charge that his paper is "the organ of Senator Hunter, an aspirant for the Presidency," after saying, "the number of

SEMINAL WEAKNESS, IMPOTENCE, &c. The Howard Association, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by quacks, several years ago directed their Consulting Surgeon as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by letter with a description of their condition, (age occupation, habits of life, &c.,) and in cases of extreme poverty, to furnish Medicines free of charge. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved mod-

ern treatment. The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.
